A New Dawn with APT — What's New in 2025

In 2025, we'll redefine what it means to travel with APT in Europe. From our new-generation luxury river ships in central Europe, to the brand-new MS Estrela on the Douro River and our small ship expedition cruises on the Seabourn Venture, a luxurious world awaits. Perhaps cruise the Adriatic Coast on a luxury yacht, discover the beauty of Europe by coach or rail, or explore in more depth with an intimate groups of fellow travellers. No matter your travel style, we have something for you.

River Cruising

There's nothing more liberating than unpacking once, knowing you don't have to do it again any time soon. Knowing every little detail is taken care of, so you're free to join in the cultural, culinary and historical experiences designed exclusively for you. Free to go ashore and explore on your own. Free to relax on board and admire the ever-changing scenes. And in 2025, delight in new luxury river ships on the Rhine, Main and Danube rivers, and on the Douro River in Portugal.

Croatia Yacht Cruising

Cruise along the stunning Adriatic coast to explore the wonders of Croatia and Montenegro aboard your yacht, the MV Lady Eleganza. Wake each morning to a new port of call and spectacular coastal scenery, and explore charming coastal villages larger ships can't access.

Small Ship Expedition Cruising

Traverse the remote coastlines in northern Europe on the ultra-luxurious Seabourn Venture. The impressive vessel guides you through the wilderness of Scotland, Iceland, the Faroe Islands and Greenland so that you can reach destinations known for their stunning wilderness and culture.

Land & Rail Journeys

These journeys are the perfect blend of the must-see and the lesser known, and they have been designed to combine seamlessly with our river cruises. Traverse Europe by rail or road, then retire to luxurious accommodation in prime locations.

Small Group Journeys

Limited to just 20 guests, Small Group Journeys allow you to explore places larger groups can't access, as well as experience a more in-depth cultural immersion with a personal touch.

Tailor Made Journeys

Everyone has personal interests that contribute to their ideal holiday. No matter how you like to travel, Tailor Made Journeys have you covered. Simply let us know what your dream holiday looks like and we will take care of the rest, handcrafting an unforgettable journey.

Our New Luxury River Ships

Cruise With The Best

The brand-new APT Solara and APT Ostara redefines luxury river cruising with contemporary and timeless designs that offer more space, more choice and more ways to experience Europe's grand waterways than ever before. Designed by award-winning Hecker Guthrie, these ships have been created with Australian and New Zealand travellers in mind. From the outdoor spaces to the vast dining options. With a crew member for every 2.5 guests, APT cater for your every need in a way that will set a new standard in luxury river cruising.

Onboard Living

The meticulous design provides new vantage points to admire Europe's enchanting landscapes as you glide along. Soak in the 360° views from the all-seasons sun deck and take a dip in the pool. Relax on a lounge on the lower sun deck, accompanied with a drink in hand and new friends. Unwind in the lounge, retreat to the wellness centre for a little pampering, or get your heart racing in the gym.

Unprecedented Dining Choice

The onboard chefs craft exceptional menus featuring locally-inspired cuisine and fresh seasonal ingredients. With six distinct dining options, you'll always have the luxury of choice. More formal dining venues include the main restaurant, the wine cellar and our exclusive aft restaurant. Alternatively, savour a meal in a more casual setting such as the lounge or the sun deck. And, of course, choose from a fine selection of alcoholic and non-alcoholic beverages, available all day everyday of your cruise.

Personalised Service

Outstanding service and unrivalled care are hallmarks of any APT journey. A maximum capacity of 154 guests supported by a dedicated team of 60 crew members guarantees a guest-to-staff ratio of one crew member for every 2.5 guests, ensuring your every need is catered to. With a smaller number of passengers than many other vessels on Europe's waterways, there is even more space to relax in our onboard public spaces.

A New Standard in Sustainability

The cutting-edge ships are at the forefront of sustainable design, boasting advanced eco-tech engines and reducing fuel consumption by up to 20%. With a catalytic converter system curbing exhaust emission, modern appliances to reduce power usage, backed by battery storage. The design includes insulated glass and an air treatment recovery system. Eco-friendly practices include no single-use plastics, onboard water stations and waste management upgrades, just to name a few.

Our New Luxury River Ships

Life on Board

Aboard the MS Estrela, recently launched in 2024, you'll cruise beneath a sapphire sky on Portugal's tranquil waterways, watching as lush hills and steep valleys, dripping with grapevines, surround you.

This world-class vessel offers an intimate experience, with just 114 passengers on board. The Sun Deck is sure to impress; you can enjoy a refreshing dip in the onboard pool – one of the largest on the Douro River – perhaps test your skills on the golf putting green, or simply sit back and relax with a fresh drink in hand at the outdoor bar. Visit the lounge and bar and unwind, and perhaps head to your air-conditioned stateroom or suite for an afternoon siesta.

Each stateroom and suite features an en suite bathroom, personal climate control, flat-screen TVs and complimentary wi-fi. French Balcony Suites also boast electric slide-down windows that open to a French balcony, allowing you to bask in the glorious landscapes. There is also a laundry and pressing service, which is complimentary in some suite categories.

Onboard Entertainment

There's never a dull moment with our enthralling range of onboard entertainment. A fascinating Portuguese folk music show, a riveting history lesson, and evenings overflowing with wine, song and dance are just some of the delights we have lined up for you.

Dining Experiences

From buffet breakfasts to à la carte lunches and dinners, meals on board embrace the produce and traditions of the Iberian Peninsula. You'll also have the freedom to enjoy a light lunch in the lounge or alfresco dining. In many suites, you can savour a continental breakfast or enjoy a cooked-to-order dinner. A wide range of beverages include beer, wine, cocktails, spirits, soft drinks and juices, as well as tea and coffee.

Governing Law
These booking conditions are governed by the law in force in Victoria, Australia.

BEFORE YOU BOOK

Price Validity
Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up-to-date pricing may be found on our website – www.aptouring.com.au. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

Airport transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the hotel at their own expense. BOOKING & PAYING FOR YOUR HOLIDAY

Airfares
Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel. Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

Airline Loyalty Points Eligibility
APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

APT Deposit Cancellation Peace of Mind
Applicable when an upfront fee of $95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which you are recommended to purchase at the time of booking.

Travel Insurance
Travel Insurance is not included in your holiday package. For your protection, we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

Travel Information & Documents
After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests
Where a special request (e.g. diet, room location, twin or double-bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit & Debit Card Surcharges
If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

Accuracy
APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, annual events. APT will endeavour to notify you of any significant changes prior to your departure.

Disruption to Cruising & Itinerary Arrangements
Itineraries are intended as a guide only and are subject to alteration without notice. Alternations may be necessary for various reasons including, without limitation, road, river or weather conditions, strikes, airline schedule changes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements.

Itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary.

APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes
The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights
If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

Force Majeure
Force majeure event means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements due to Force Majeure
If APT, in its reasonable opinion, considers that any force majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure
In the event that APT cancels or changes your travel arrangements in any way due to a force majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed personally by APT, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Data Protection Policy
Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.aptouring.com.au/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

Limitation of Liability
1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. APT representatives are empowered to ask guests to depart a holiday package if they are displaying known COVID-19 symptoms. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

than nine months and no sooner than 14 days prior to departure of the tour.

Local Purchases
APT is not responsible for any items you may purchase locally i.e. jewellery/furniture etc. You acknowledge that you are solely responsible for any import duty or freight costs.

Personal Belongings & Lost Items
For security reasons, valuables should be kept to a minimum and packed in your hand luggage along with your medicines. It is your responsibility

to look after your property at all times and you must ensure you are adequately covered by comprehensive travel insurance in the event of any loss.

Medical Assistance
APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from a visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

Smoking
Government regulations forbid smoking in tourist coaches however frequent stops are made for those wishing to smoke. Smoking is not permitted in hotel rooms or ship cabins. Requests for smoking/non-smoking rooms will be passed on to hotels but cannot be guaranteed.

Responsible Service of Alcohol
Our staff are trained in the responsible service of alcohol and are obliged by law to refuse service to any guest who, in their reasonable opinion, appears to be intoxicated or behaves in an aggressive or offensive manner.

Service Enquiries
If a problem occurs during your holiday you should, in your own interests, advise your Tour Director so that steps can be taken to resolve the matter. If you remain dissatisfied, any complaint must be made in writing to APT within 30 days.

Luggage Limits
Each passenger is entitled to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). Dimensions for checked baggage are calculated by adding together the width, height and depth of the piece of baggage. An extra charge will be imposed to cover porterage handling of any additional luggage. Your Tour Director will advise you of the exact additional charge.

APT river cruises, expedition cruises and yacht cruises in Europe also include complimentary beverages served on board your ship throughout the day (French Champagne and premium spirits are not included).

Not Included in Holiday Package Price
Airfares (unless stated), airport taxes, meals and drinks other than those specified in the itinerary, passport and visa fees, excess baggage, fuel surcharges, gratuities not specified in your itinerary, vaccinations, government taxes and laundry (unless stated).

Choosing Your Holiday
To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our publication contain limited information, however, there is more information on our website at aptouring.com.au and our qualified staff are available to discuss your options.

Gratuities
Gratuities for the land portion of your tour, shore excursions, and on board your cruise are included within the tour price. Gratuities cannot be redeemed for cash.

Hotels
Hotel rooms in Europe are often smaller than those in Australia and New Zealand. In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination. The hotels listed will be used on almost all holiday packages, however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown.

Twin or Double Rooms
Accommodation in all hotels, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated.

Solo Travellers
A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single room/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

Cruising – Cabin/Suite/Stateroom Selection
APT will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, APT reserves the right to make changes to cabin assignment, within the category booked, without prior notice.

Passengers Needing Assistance
APT welcomes all passengers. Guests with limited mobility are asked to please note the following:

1. Guests with a disability or medical condition requiring assistance must inform APT of any important information relating to their health, mobility and/or fitness which may affect their partial or total participation in the cruise or tour. This information will allow APT to ensure the chosen tour is suitable and meets their needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible, APT will make reasonable adjustments to the tour to assist all guests, however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.
2. If guests require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), they must travel with a companion capable of providing the required assistance or care. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. Guests must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.
3. While APT will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.
4. Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. APT ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks, tender boats, riverbanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Due to the lack of infrastructure along the riverbanks, and absence of lifts on board vessels, wheelchairs will be of minimal use. Passengers who use a wheelchair should reconsider travelling on these tours.

Health and Fitness
A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot, which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. Small Ship Expedition cruises require you to be able to climb in and out of zodiacs and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations and consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

Visa and Passports
All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. APT is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

Shore Excursions
The timing of shore excursions on all holiday packages may differ slightly for each package. Published times are a guide only and are subject to change without notice. It is impossible for large coaches to be used for some city sightseeing excursions and many towns and cities will be visited by way of walking tours. For river cruising, clients must be able to climb ramps to embark or disembark river cruise ships. Depending on river water levels, these may have a number of steep steps. Venue closures outside of APT's control may affect our ability to operate some excursions. Holiday packages including time in Switzerland and other alpine regions may include excursions to, at times, high altitudes. Small Ship Expedition cruising holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs or tenders.

Signature Experiences
The Mozart Boys' Choir members do not perform on all departures and may be substituted with an alternative children's choir.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

Changes or Additions to Your Holiday
If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

Cancellation Policy
The following APT cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels):

Days of Notice Prior To Departure	Fee Per Person
100 days or more	Loss of deposit
99-61 days	50% of holiday package price
60 days or less	100% of holiday package price

All cancellations must be received in writing by APT and are not effective until this notification has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed.
Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of $70 per person in addition to any applicable cancellation fees.

Cancellation of Ticketed Airfares
An APT cancellation fee of $50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes to Ticketed Airfares
If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of $30 per person for the first change and $85 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a $125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT).

ON HOLIDAY

Noise and Vibration
APT takes reasonable steps to minimise noise and vibrations on its cruising vessels. You acknowledge and accept that some noise and vibration may be experienced on aircraft, vehicles, vessels and trains and that APT is not liable to you for any such noise or vibration.

Docking Position
During port stops ships may dock side by side, obstructing views and requiring you to pass through other ships to embark or disembark.

Sun Deck
During passage through locks or under low bridges, or in the case of adverse weather, it may be necessary to close the main sun deck for passenger use. In the interests of safety, sun deck closures are rigidly enforced. While circumstances will vary and are beyond control, closures of the main sun deck may amount to 4-6 days on average per 15-day cruise. The lower sun deck may also close for short periods of time.

Seat Allocation on Coach and Air Tours
To ensure all passengers enjoy forward and window facing seats, we have incorporated a daily seat rotation system. This system is not able to be adjusted to suit individual needs under any circumstances. Coaches used on Small Group Journeys or Classic Tours are 40-seater vehicles. In the unlikely event of unforeseen circumstances, a replacement vehicle may be offered which may not fulfil this specification.

Wi-fi Internet – Rivers, Small Ship Expedition & Luxury Yacht Cruising
Wi-fi internet is available without charge aboard your vessel although APT cannot guarantee the consistency of the service throughout the cruise.
