It's time to discover

2023 - 2024

Welcome

We turn 25 years old this year and it is amazing to think how far we have come, from taking a handful of passengers backpacking to the pyramids in 1998! We now operate group and private tours in more than 45 destinations around the world, with new adventures and destinations continuously joining our portfolio. The hard bit is deciding where to go first!

From the incredible Pyramids of Giza to the stunning Taj Mahal, the rolling dunes of the Sahara, to the lost city of Machu Picchu, it's time to discover.

The dedication and commitment of our guides and on-ground staff make all these experiences possible; they are the heart and soul of On the Go Tours and are excited to be able to share their passion for their home countries with our travellers. Our people and their communities are at the heart of what we do, so when you book a tour with us, the majority of your holiday money stays in destination. This means employing local guides and support staff, using local businesses and staying in family run hotels where possible.

It's also important we leave a light footprint, so we have showcased the best of what we offer in this one Worldwide brochure. You'll find our full offering online, including a range of private itineraries for those who prefer their own private adventure.

Our global reservations team are now 24/7 and ready to chat to you about making your dream trip a real-life adventure!

We look forward to welcoming you on tour very soon.

We're passionate about helping open up the many wonders of the world to you, bringing you closer to new cultures and taking you off the beaten track to uncover hidden gems. Most of all we're passionate about making your holiday truly memorable.

And here's how we do it...

Authentic experiences

Whether it's learning to cook with a local family, riding a camel into the desert or a rickshaw through bustling city streets, our tours offer plenty of authentic experiences. Plus, with our amazing local guides you'll gain a true understanding of the cultures you're visiting.

Expert advice and choice

Our team has travelled extensively to our destinations and we know them inside and out. We also offer a variety of travel styles from group tours and festival departures, to private tours and family adventures, so we're bound to have a travel style that suits you.

Believing age is no barrier

As it truly isn't! Our tours suit travellers of varying ages, with a mix of singles, couples and groups of friends. We have some dedicated family tours too. This means you'll find travellers from all walks of life on any one of our tours, but all with one thing in common: a passion for travel.

Great group size

Our typical group size is 14- 16 travellers. On special festival tours, group sizes are larger due to the unique nature of these events, though on Signature tours there'll never be more than 24 travellers. Whatever your group size, you're bound to meet like-minded travellers and new friends.

Unbeatable value

Combining authentic local experiences with an excellent range of 3-5 star hotels, our tours represent unbeatable value. Add in airport transfers, passionate local tour guides and all relevant transport and you get the best of adventure travel with creature comforts too.

Guaranteed departures

All of our Signature group tours are guaranteed to depart with just 2 passengers (excluding Japan, with 4 as a minimum). We are also fully accredited and bonded in all of our territories. For Handpicked tours, please just ask our team!

Giving back

We care about the countries we visit and give back to their communities with donations to local schools and charities, and by employing only local guides, dining in local eateries and staying in locally owned hotels wherever possible. The large majority of your holiday funds stay within the destination you visit.

Lifetime credits

Lifetime Credits are available on all Signature tour bookings. In the event of a cancellation more than 60 days in advance of travel, funds will be held on file and can be put towards payment of a new group tour of equal or greater value than the original. Credits are also fully transferable for when life gets in the way.

Our guides

Our tour guides make On The Go Tours what it is, they are our greatest asset and an incredible network of passionate professionals.

We know that it's the people you meet along the way that can make the difference between a great holiday and a truly memorable one. And who best to ensure you have a fun and authentic experience in a country than your tour guide?

On our Signature tours, you are guaranteed to be escorted by a local, English-speaking tour guide. All of our guides know their destinations inside out, and the majority have worked with us for many years. We carefully select them based on their knowledge, passion, and personality.

When asking our customers for feedback, our tour guides are often mentioned as being the highlight of the trip. Whether it's their expert knowledge of the destination, the feeling of safety and security being guided by a local, or simply being advised on the best restaurant to visit for dinner, our guides make our tours what they are. And we're incredibly proud of our people!

Designed for you

Each and every one of our holidays has been carefully designed to ensure that not only will you enjoy life-affirming experiences, but you will do so with the best value for your money that each destination offers.

For over 20 years we've been making travel easy, delivering authentic experiences with passion and expertise. On our tours, you can look forward to great quality accommodation, airport arrival transfers, and itineraries designed by our travel experts to help you get the most out of the destination you're visiting.

We have four ranges of tours, each offering different experiences.

Go Signature

Exciting days, comfortable nights

With our Signature range, you get everything that makes On The Go Tours special. Local interaction and authenticity is placed at the centre of your travel experience whilst upping the comfort stakes with 3-5 star hotels. You'll be escorted throughout the tour by our expert English-speaking local guides and transportation is in private vehicles. The average group size is 14, with a maximum of 24, so you'll get to know everyone on your tour and there's always a delicious breakfast included before a day of sightseeing.

Go Overland

Unforgettable Journeys

Our Overlanding range gives you amazing experiences at a great price. Travelling aboard overland trucks and camping under the stars, our overland tours are all about adventure. With an average group size of 24 and a maximum of 30, creating a social and fun travel experience. As well as many included meals, exciting excursions and game drives, there's also optional activities. These trips include a local payment, keeping costs down for you and ensuring more of your holiday fund stays in destination.

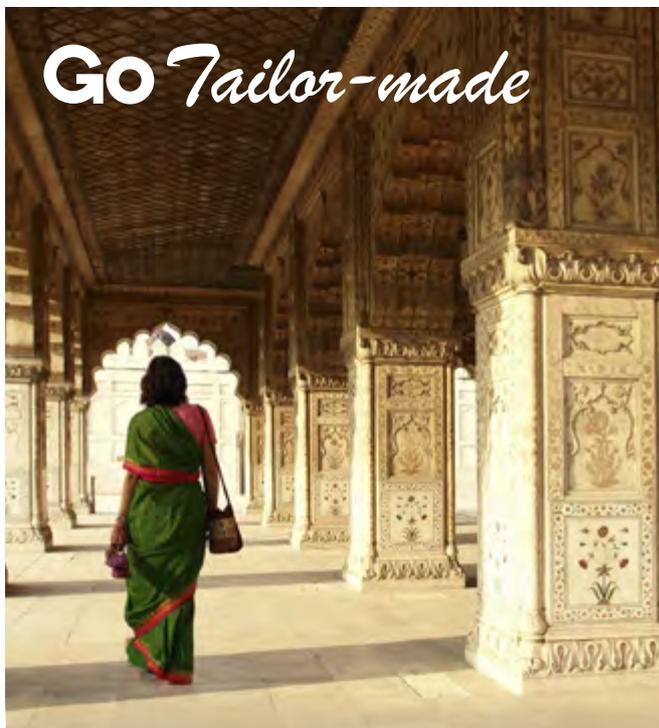

Go Handpicked

Iconic Experiences, Local Partners

Our Handpicked tours offer you the most iconic experiences in destinations where you'll join travellers from other travel brands as well as On The Go Tours to explore all the main sights of a destination with the services of qualified tour guides. Collaborating with our carefully selected portfolio of local partners, our Handpicked tours represent exceptional value. Accommodation is generally of 3-4 star standard, but varies by destination, as does the group size.

Go Tailor-made

Tailored To Suit You

For groups of 8 or more we can tailor-make your holiday, designed exclusively for you. Wherever you want to explore, we'll handpick accommodation and experiences that suit you and your budget. For 2 or more travellers we offer pre-priced private tours available to book off the shelf and this range also includes our selection of stopovers and short city breaks, providing maximum flexibility.

Go solo

but not alone

Our group tours are an ideal way for solo travellers to experience the world, with the comfort and security of knowing you'll be travelling with others and have a knowledgeable guide on hand to help.

Join like minded travellers

It's not always easy to find friends or family who want to travel to the same places that you do and the idea of travelling alone may put you off from visiting destinations you've always dreamed of going to.

Our tours attract many solo travellers and travelling as part of a group means that you can share your travel experiences with like minded people who have the same passion for travel. Even when activities are not planned, most groups tend to socialise and go out together in the evening for meals. There's nothing like a change of routine and new experiences to bring people together. Lots of our travellers arrive alone and leave with lifelong friends.

Comfort, security and value

At On The Go Tours, we make solo travel easy. From arranging your transfers to breaking down the tricky language barriers, we take the hassle out of your holiday. You're also more likely to visit places off the beaten track and enjoy unique experiences that might have seemed too out of reach or hard to do alone.

We don't think travelling solo should mean paying over the odds. On all of our tours we offer a reasonably priced single room option, giving you the comfort and privacy of your own room by night, to wake up fresh for days of exciting shared experiences with new friends.

A mix of ages and nationalities

We tend to have a fairly even mix of single travellers, couples and small groups of friends on our tours and we attract a wide range of ages, from mid 20s upwards to 60 and above, which creates a great group dynamic. Our group tours are also a very international affair, with travellers from the UK, Australia, New Zealand, South Africa, Canada and beyond so you'll get to know people from around the world.

If you'd like to know if there are any other solo travellers already booked on your chosen tour, that's no problem, just call us and we can let you know.

Go private...

with friends and family

If you have a large group of friends or family and want to plan a holiday together, then we can help. We offer two types of private group travel – you can select one of our group tour itineraries, or we can help you create a holiday from scratch as part of our tailor-made service.

Go Signature

Choose any of our Signature group tours and we can operate this trip exclusively for you. You will need to choose one of the departure dates listed for the holiday and be aware that a supplement on top of the tour price may apply. The holiday will be exactly as described on our website, with the exception that we include the services of local guides at each port of call.

For groups of 10 or more, we guarantee the cost of the holiday will be exact as per the full price shown for the tour. We also include the services of a private escorting guide from start to finish. For groups of 16 or more, our offer is the same, except 1 person (based on twin share) travels free of charge.

Go Tailor-made

If you're looking for something more personalised, we can create a bespoke tour itinerary for a private group of 8 or more travellers. We can also cater for groups with special interests, such as photography, wildlife, trekking, sporting events and pilgrimage tours. It doesn't matter if you just have a rough idea of where you want to go, or you've already got a meticulously planned itinerary and you just need someone to do the legwork! Tell us where you want to go, your preferred activities and attractions, and your desired level of accommodation. We'll do the rest.

To find out more about private group travel, get in touch with our expert team, who can start planning your adventure.

Go *Tailor-made*

Travel to your own tune with a unique holiday, designed around you.

Your budget.

Your bucket list.

And your style.

We offer tailor-made holiday arrangements with an expert team on hand to help build your dream trip. If you prefer the flexibility to design your own bespoke itinerary, choose the standard of accommodation that suits your budget, with the services of your own expert local guides then a Tailor-made holiday is for you.

We'll listen carefully to your preferences and tastes. We'll use our insider knowledge to ensure you get the most out of your trip and we'll take care of the nitty gritty details for you.

On a Tailor-made holiday, experienced English-speaking local guides will show you around your chosen sites with local representatives on hand for any further assistance you may need. You'll also have your own private transfers unless you opt to include public transport on your itinerary.

You can build your Tailor-made holiday in one of three ways

Group tours on a private basis

Our group tours are classic itineraries taking in all the key highlights of our destinations, making them ideal for a first-time visit. If group touring doesn't appeal, the majority of these tours can also be operated on a private basis for a minimum of two travellers. Look out for the Private Tour icon on the tour pages and contact our reservations team to find out what the private tour supplement will be.

Suggested itineraries

On our website you'll find a selection of private tours that take in the main highlights of our destinations, as well as some off the beaten track sites. Whether it's a cruise on Lake Nasser in Egypt combined with the pyramids, or a visit to the floating villages of Tonle Sap Lake combined with incredible Angkor Wat in Cambodia. These itineraries can be tailored to suit you, or simply used as a source of inspiration, giving you an idea of what's possible on an On The Go holiday.

Tailor-made holidays

For groups of 8 or more travellers, if you already have your perfect itinerary in mind, we can build it from scratch. Let us know where you want to go and what unique experiences you want to include, and we'll do the rest. When planning your Tailor-made holiday, consider how long you want to go away for and how much free time you want to include. It's also useful to have a budget in mind so we can recommend appropriate hotels and touring options.

- Authentic local experiences

- 3, 4 and 5 star hotel options
- All transfers and transportation in private air conditioned vehicles
- Depart any day of the week

Transport to suit you

We typically use private chauffeur-driven vehicles of an international standard. Trains are also convenient and cost effective while internal flights are recommended as a quick and easy way to cover longer journeys. We can also incorporate cruises and sailing trips.

Expert advice

Our team have travelled extensively to all of our destinations and offer a wealth of knowledge and experience. We are committed to excellent customer service and provide you with much more than a click-and-book web travel service.

We want to understand what inspires you, so that the holiday we recommend has been crafted with you in mind. We go a step beyond the classic itineraries and include some unique experiences that will transform a good holiday into a really memorable one. Whether it's entering Petra via secret backroads in Jordan, enjoying a traditional tea ceremony with geisha in Japan or cycling around Cambodia's incredible Angkor Complex.

Accommodation

Where you spend the night should be an experience in itself. So whether you prefer no-frills or fancy, historic, quaint or quirky, we offer accommodation to suit all tastes and budgets. On our quote we will provide you with a clear categorisation of all hotels using our 'On The Go' categories below. Accommodation can range from Western-style hotels and resorts to charming boutique properties or authentic riads, cruise boats, desert camps and other styles of accommodation unique to the region.

SIMPLE

Whether it be a desert camp, a basic homestay or a simple 2 star Western-style hotel, this is no-frills accommodation in remote areas where options are limited.

STANDARD

As comfortable as a Western 3 star hotel, with en suite rooms, and a moderate range of facilities, typically including a restaurant. An affordable choice in popular cities.

SUPERIOR

A good standard of accommodation, usually equating to a Western 4 star, with well-appointed en suite rooms and facilities, which usually include a swimming pool.

DELUXE

Luxury, comfort and 5 star facilities, often in beautiful settings with spacious, en suite rooms, a choice of restaurants, swimming pool, fitness centre and other amenities.

LUXURY

The crème de la crème of hotels equivalent to 5 star plus with exquisitely appointed en suite rooms, restaurant, pool, fitness centre and amenities galore. Sheer opulence!

Europe

Discover the epic history, artistic treasures, archaeological marvels, sophisticated culture and mesmerising landscapes of Europe with our escorted group tours that take in the best of the continent.

They're also always on hand to point out local places of interest and to recommend the best places to eat and drink.

Food glorious food

Breakfast is included daily on the vast majority of our Europe tours, with a few other meals thrown in as well. On our Croatia sailing holidays, a three-course meal is provided at lunch and dinner, prepared by the kitchen staff on board the ship. Elsewhere you're free to sample the local dining scene.

Getting you from A to B

Across Europe we use comfortable, private air-conditioned coaches for touring. Hop around the Greek islands on local ferries and cruise around Croatia's picturesque islands aboard a choice of small ships, ranging from traditional to deluxe standard. While in the winter wonderland of Finland unique modes of transport include husky and reindeer sledding!

Where will you stay?

When selecting our group tour accommodation, we choose properties that are well-located, with essential amenities to ensure a relaxed and comfortable stay.

On our Signature range of tours in Europe you'll be staying in 3-5 star hotels, most with onsite restaurants and some with additional facilities including a bar or swimming pool. We use motorised vessels in Croatia with a varying range of comfort levels. Middle East & North Africa

Delve into centuries of gripping history, gaze upon spectacular ancient monuments and experience the silent wonder of the desert with our offering of escorted group tours in the Middle East and North Africa.

No trip to Egypt would be complete without visiting the Great Pyramids. Just as a trip to Jordan without visiting Petra would be a crime. And that's why we include these world-famous sites on all tours in Egypt and Jordan. We cover the main highlights of Morocco and Israel too with our well-planned itineraries that feature bucket list experiences like trekking into the Sahara on camelback and placing your hands upon Jerusalem's Wailing Wall.

Travelling on a group tour

Guiding you day-by-day

Our tour leaders and local guides are on hand to ensure your holiday is the best it can be. In Egypt you'll be escorted by a highly qualified Egyptologist who'll bring the wonders of the ancient world to life with their in-depth knowledge of the sites you'll be visiting, from the pyramids to Abu Simbel.

Food glorious food

If you're a fan of food and like to get hands-on with cooking, we offer the perfect package for you in Jordan. At Petra Kitchen, enjoy a cooking session with our optional add-on, learning how to make authentic dishes such as baba ghanoush, fattoush, and proper hoummus from scratch.

Getting you from A to B

In Egypt travel by overnight sleeper train between Cairo and Luxor/Aswan, and sail along the Nile on a traditional felucca. In Jordan traverse Wadi Rum by SUV while in Morocco make use of camels in the Sahara. In Israel travel around in modern and comfortable air-conditioned vehicles.

Encompassing desert, rainforest, mountain ranges and stunning coastline, Africa is as diverse as it is vast and it's the perfect destination for wildlife lovers.

Discover all that Africa has to offer on our overland camping and lodge-accommodated safaris. We offer a comprehensive range of itineraries covering both East and Southern Africa and visiting Africa's best-known national parks and game reserves, from the Masai Mara in Kenya to Kruger in South Africa. Our overland camping safaris are an affordable and fun way to experience Africa, ideal for those with a great sense of adventure, while our lodge safaris will appeal to those looking for more comfort on their holiday. Game drives are included on all safaris and there's plenty of exciting optional activities to enjoy along the way, from hot-air ballooning and helicopter rides to white water rafting and wine tasting.

Safari styles

Overland Camping

Our adventurous overland safaris are modular and range from 4 - 43 days, travelling between Kenya and South Africa. With a maximum group size of 16, travel aboard a fully equipped overland truck, escorted by an experienced crew of two. Bed down in a two-man dome tent, usually in set campsites, with the occasional night bush camping. You'll need to help out with day-to-day tasks such as cooking, cleaning and pitching your tent.

Overland Accommodated

If camping isn't for you, we offer an accommodated upgrade on our overland safaris. Travel with the campers, staying in simple twin share accommodation at the same campsites. In the Namib Desert, Spitzkoppe, the Serengeti and Ngorongoro you will camp, owing to the remote locations of these spectacular highlights. Included meals are prepared by the crew on the campfire and you'll be expected to help out with day-to-day tasks.

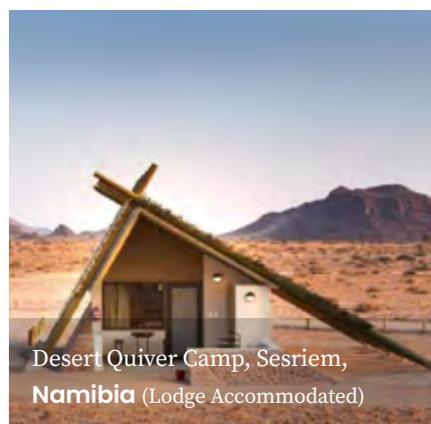

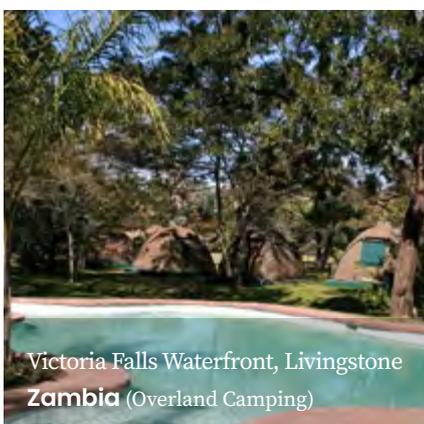

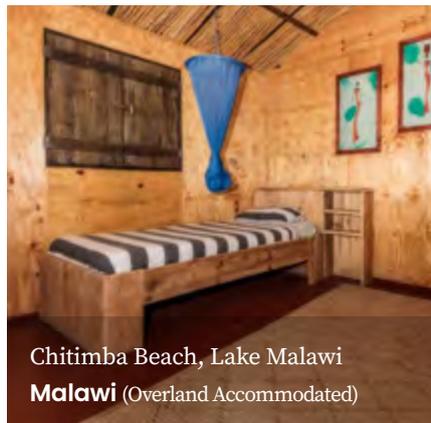

Comfort Camping

Online you'll find a selection of Comfort Camping safaris in Southern Africa. Whilst still staying in two-man dome tents, you'll enjoy the comfort of a camp bed and an expert three-man crew to take care of all camp duties such as cooking, cleaning and tent assembly. The maximum group size is 16, you'll travel in an overland truck and airport transfers are included. These safaris are ideal for active over 40s who are still keen to camp.

Lodge Accommodated

Our East and Southern Africa lodge safaris stay in a selection of wonderful lodges and permanent tented camps of a 3-4 star standard, set within beautiful surroundings. With a maximum group size of 16, travelling in a custom-built 4x4 safari vehicle or an overland truck, you'll be escorted by an expert guide, who is also your driver. Breakfasts and dinners are provided by the lodges and airport transfers are included.

What makes our Signature tours in East Asia and Southeast Asia really special is that they are escorted by wonderful local tour guides. As well as the expert knowledge they impart, your guides will organise all your day-to-day activities, assist with hotel check-ins and always be on hand to offer assistance.

Food glorious food

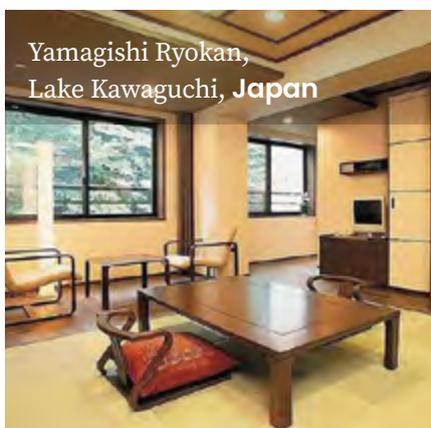

With a bounty of regional specialities, food lovers will discover culinary paradise in Asia, from pho in Vietnam to sushi in Japan. You'll even have the chance to try your hand at rustling up a dish yourself with cooking classes and demonstrations included on some of our tours.

Day 1 Quito

Monday. Transfer to our hotel in Quito where the rest of the day is at leisure. Overnight - Quito.

Day 2 San Cristobal island

Fly to San Cristobal in the Galapagos today and transfer to the M/C Anahi catamaran. Settle in onboard and visit the Interpretation Centre to learn about the archipelago. Walk up Tijeretas Hill for spectacular views and spot frigate birds before we snorkel in an inlet filled with tropical fish. Overnight - M/C Anahi.

Day 3 Espanola island

Today we cruise to Espanola, home to many endemic species including the Waved Albatross, Espanola Lava Lizard and three species of Darwin's Finches. We explore wildlife-rich Punta Suarez and hopefully see the giant colony of sea lions at Gardner Bay. Overnight - M/C Anahi.

Day 4 Floreana island

Our next port of call is the tiny historic island of Floreana. Visit the flamingo-filled lagoon at Punta Cormorant and cruise to Devil's Crown, one of the best snorkelling sites in the Galapagos. Look out for sea lions, Galapagos sharks and turtles. This afternoon we visit Post Office Bay, where seamen would leave letters in a barrel for future travellers to carry in the right direction. Overnight - M/C Anahi.

Days 5 & 6 Santa Cruz - Quito

Our final stop is the island of Santa Cruz where we visit the Charles Darwin Station, home to the famous tortoise breeding centre. Eggs are gathered from across the Galapagos and the young tortoises are reared until they're old enough for release onto their native islands. Then fly back to Quito where your adventure ends on day 6 (Saturday). Overnight - Quito (1).
