OneTomorrow
CHARITABLE FUND

The OneTomorrow Charitable Fund is an initiative established by the APT Travel Group. OneTomorrow’s mission is to make a positive and enduring impact on nature and the communities we touch. Supporting various grassroots initiatives around the world, we aim to create immediate and long-term change in important environmental and humanitarian causes.

Kilimatembo school officially opened its doors in 1976 to students in rural Tanzania. Since then, the school has been providing education to local children in order to pave the way for a brighter future. Kilimatembo emphasises the importance of conservation and environmental education; encouraging children to participate in numerous nature-based activities.

For the Love of Wildlife is devoted to turning around the current extinction crisis that nature is faced with. Their aim is to work from the top down and return Australia to being a leader in preserving and protecting wildlife and habitat. It has succeeded in banning the importation of lion trophies and body parts, and closing the domestic trade in elephant ivory and rhino horn.

A WORLD OF DIFFERENCE

At OneTomorrow we believe in travel as a platform for change. Across the APT Travel Group, we’ve partnered with a range of organisations and implemented initiatives to help protect the environment and ensure the wellbeing of local people wherever we go.

MAKING TRAVEL MEAN MORE

Working together, we can support not-for-profit organisations to continue helping their communities. The best part? Donations through OneTomorrow are tax deductible*, and all donations will be matched dollar for dollar. So together we can double our impact.

A DAY ON *Safari*

AS THE SUN RISES

The thrill of seeing Africa's wildlife up close will have you bounding out of bed. Settle in with a cup of tea or coffee as you watch the sun rise over the misty savannah. The animals are just beginning to emerge from their slumber, which is the perfect time for us to head out and observe them in action.

YOUR FIRST GAME DRIVE FOR THE DAY

Excitement builds as you clamber aboard 4WDs. Your game driver/tracker will lead you through a range of habitats – along dusty dirt roads, tangles of grassy bushland, tranquil rivers and acacia-rich plains – following paw prints and animal calls in search of the elusive Big Five and more.

TIME FOR A BREAK

Return to your lodge and indulge in a safari breakfast buffet with all the trimmings, before a relaxing morning enjoying the facilities of your lodge. Take a dip in the pool, melt into a sun lounger with a good book or look out for sneaky wildlife that may wander off course and close to the lodge.

FOOD, GLORIOUS FOOD

Lunch is served followed by some more free time. You may be in the middle of the African bush, but there's certainly no shortage of culinary wonders. There's always time for some refreshments in preparation for your next exhilarating game drive.

THE GAME-SPOTTING FUN CONTINUES

The landscapes come alive just before sunset and you have a front-row seat to nature at its most magical. Charge along beside crocodile-infested rivers and slow down through the sweeping plains. Will you lock eyes with a lion, staring you down between the tall strands of grass? Or spy giraffes swaying their lengthy limbs back and forth? Raise a glass to your day of wildlife encounters with sundowner drinks as you take in the sunset.

WHEN THE STARS REPLACE THE SUN

After dinner back at your lodge, relax around the campfire with a nightcap. As you gaze up at the clear night sky that glitters with bright stars, you can only imagine what awaits you on safari tomorrow.

Embark on thrilling game drives

East Africa

When you have a thirst for a real adventure, look no further than East Africa.

Experience the best game park viewing in Kenya and Tanzania on an incredible safari highlighted by breathtaking cultural moments.

MASAI MARA

This special place is what safari dreams are made of. Known for having one of the highest wildlife density of predators, Kenya's Masai Mara is a photographer's dream. Nature lovers are also well catered for, with an abundance of stunning open plains. Watch for grumbling hippos, sunbathing crocodiles and lazing lions as the ancient spirit of the land wraps around you.

SERENGETI NATIONAL PARK

Offering some of the best wildlife viewing in the world, Serengeti National Park is abundant with vast golden plains, quintessential acacia trees and hippo-inhabited waterholes. In addition to housing part of the Great Migration, it also contains a dense lion population, not to mention exceptional birdwatching opportunities.

LOCAL MAASAI CULTURE

The ability to immerse yourself in the local culture is a holiday moment you will treasure forever. During your visit to East Africa, you will learn about the traditions and lifestyle of the semi-nomadic Maasai people. The Great Rift Valley has long been home to the Maasai, who have preserved their authentic culture through customs including ceremony, dance and traditional clothing.

NGORONGORO CRATER

Tanzania's diverse crater allows you to delve into the world's largest inactive, intact and unfilled volcanic caldera. Lions, leopards and hyenas along with healthy herds of wildebeest, buffalo and zebra can be found here, as well as cheetahs, jackals, gazelles and even playful flamingos. Try to keep an eye out for the rare black rhino and large tusker elephants.

AMBOSELI NATIONAL PARK

One of Kenya's most stunning national parks, Amboseli is known for its large elephant population, not to mention having one of the best backdrops in all of Africa with a sublime view of Mt Kilimanjaro. Birdwatchers are also well catered for, with more than 370 species spotted in the region. African fish eagles can be seen hunting on the lake, while grey crowned cranes are frolicking around the marshlands.

EAST AFRICA'S GREAT MIGRATION

Each year, more than a million wildebeest, zebras and gazelles migrate between the vast plains of the Serengeti (in Tanzania) and the Masai Mara (in Kenya). While these animals search for rain-ripened grass, they are also pursued by a host of predators. This really is a sight to behold.

BEFORE YOU BOOK

PRICE VALIDITY

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up to date pricing may be found on our website – www.travelmarvel.com.au. Prices will be confirmed at time of booking and honoured for up to seven days. All holidays are subject to availability at the time of booking.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

TRANSFERS

Airport transfers are included on the first and last day of the tour package or with pre and post accommodation booked by Travelmarvel. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the ship/hotel at their own expense. Some holiday packages include group transfers from or in between airports/hotels/ships and vice versa. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group. Combined cruise and land tours, or cruise include transfer and flights between tours as specified.

BOOKING AND PAYING FOR YOUR HOLIDAY

AIRFARES

Air travel is arranged with independent airlines. Travelmarvel will arrange air travel as advertised in connection with your holiday package or as otherwise arranged with Travelmarvel. All airfares are subject to flight and booking class availability as specified in the conditions. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airlines. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Travelmarvel is not liable for delays or disruptions of air travel. Once tickets are issued, Travelmarvel will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights. Flying outside of the tour date range or re-routing your flight itinerary may incur additional surcharges. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

AIRLINE LOYALTY POINT ELIGIBILITY

Travelmarvel uses the services of a range of airlines in its packages. Travelmarvel does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use airline points to upgrade travel need to be directed to the airline concerned by the member.

TRAVELMARVEL DEPOSIT CANCELLATION PEACE OF MIND

Conditions apply: applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as a Travelmarvel holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through Travelmarvel (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the

deposit paid, and therefore the credit being held. Travelmarvel Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which we recommend you purchase at the time of booking.

TRAVEL INSURANCE

Travel Insurance is not included in your holiday package. For your protection we strongly recommend purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, cruise and land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

TRAVEL INFORMATION & DOCUMENTS

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket, together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

SPECIAL REQUESTS

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals), is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

CREDIT & DEBIT CARD SURCHARGES

If you pay Travelmarvel by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

ACCURACY

Travelmarvel has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions and annual events. Travelmarvel will endeavour to notify you of any significant changes prior to your departure.

DISRUPTION TO CRUISING AND ITINERARY ARRANGEMENTS

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond Travelmarvel's control. If conditions render any routes unsafe for navigation, Travelmarvel reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel cannot guarantee exact arrival and departure times for carriers and operators used by Travelmarvel and Travelmarvel will not be liable for failure to make connections with any other services or attractions beyond its control.

FLIGHT CHANGES

The flight timings detailed on your confirmation invoice, or on our website are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

OUT OF DATE RANGE FLIGHTS

If airlines have not published their schedule at the time of booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm booking and pricing with you by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your tickets.

FORCE MAJEURE

Force Majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not have been reasonably prevented by Travelmarvel, which includes, but is not limited to: (a) war, armed conflict, criminal

damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

TERMINATION OF BOOKING CONTRACT OR CHANGE OF TRAVEL ARRANGEMENTS DUE TO FORCE MAJEURE

If Travelmarvel, in its reasonable opinion, considers that any force majeure event prevents Travelmarvel (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

LIMITATION OF LIABILITY IN THE EVENT OF FORCE MAJEURE

In the event that Travelmarvel cancels or changes your travel arrangements in any way due to a force majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event.

Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including but not limited to overhead expenses and works or services performed personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

DATA PROTECTION POLICY

Any personal information (including sensitive information and health information) that Travelmarvel obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.travelmarvel.com.au/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

LIMITATION OF LIABILITY

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of Travelmarvel. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, Travelmarvel is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of Travelmarvel, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Travelmarvel representatives are empowered to ask guests to depart a holiday package if they are displaying known COVID-19 symptoms. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from the tour or cruise. Travelmarvel is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. Travelmarvel accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty express or implied by statute or otherwise in respect to the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, Travelmarvel's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our

behalf. There is no liability on the part of Travelmarvel in respect to any monies paid to your travel agent unless and until Travelmarvel notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by Travelmarvel. Travelmarvel reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by Travelmarvel within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

COVID-19 REQUIREMENTS

Before booking and before you travel, ensure that you check the latest Government travel requirements and Travelmarvel updates which include the onboard protocols (which will be available on Travelmarvel's website at www.travelmarvel.com.au/about-us/travel-updates) which will set out the obligations which apply to customers departing on tours. This may include obtaining proof of negative test results prior to embarkation, completion of health questionnaire, mask wearing, requirement to isolate if COVID-19 symptoms present during tour and removal of passengers from the tour if deemed necessary by medical staff. Compliance with the travel requirements and Travelmarvel updates is mandatory and anyone refusing to comply can be denied access to the tour or removed from the tour at Travelmarvel's absolute discretion.

Some of the regions or attractions visited while on tour may impose different regulations to that of the Government requirements, therefore proof of vaccination may be required to participate in some included or optional touring.

Gratuities are not included for Chobe Princess or Cape Winelands Extension.

CHOOSING YOUR HOLIDAY

To maximise your enjoyment of your Travelmarvel holiday and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for your requirements. Our brochures contain limited information, however there is more information online at www.travelmarvel.com.au and our staff are available to discuss your options.

HOTELS

Hotel rooms may be smaller than those in Australia and New Zealand and in more remote places, hotel standards may not be quite as high as in major city centres. Travelmarvel endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this brochure will be used on almost all holiday packages; however, if a change is necessary for any reason, Travelmarvel will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require check-out by 10am. Where guaranteed use is required outside of these times you may be required to book and pay for additional nights.

TWIN OR DOUBLE ROOMS

Accommodation in all hotels and camps, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated. Twin bedded rooms are very common in Africa, and on many occasions double-bedded rooms may be unavailable, or very limited in number. Bedding configurations on board cruises may vary with the category booked.

SOLO TRAVELLERS

A limited number of single rooms/suites/cabins may be available by request at time of booking your holiday package. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

PASSENGERS NEEDING ASSISTANCE

Travelmarvel welcomes all passengers. Please note:

1. Passengers with a disability, mobility or medical condition requiring assistance must inform Travelmarvel at the time of booking of all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information will allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible Travelmarvel will make reasonable adjustments to the tour to assist you however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require assistance or care (such as assistance with walking), you must travel with a companion capable of providing the required assistance or care. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While Travelmarvel will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third-party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches, minibuses and 4WD are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. Travelmarvel ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks, tender boats, riverbanks, and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Due to the lack of infrastructure along the riverbanks, and absence of lifts on board vessels, wheelchairs will be of minimal use. Passengers who use a wheelchair should reconsider travelling on these tours.

HEALTH & FITNESS

A good level of health and fitness is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot which include uneven ground and stairs. Mobility is needed for boarding or alighting coaches and ships. We recommend

a visit to the doctor and dentist before travelling. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other guests. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

VISA & PASSPORTS

A passport that is valid for at least six months after you return home is required. Some African countries also require a minimum number of blank passport pages. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. Travelmarvel is not responsible for

delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

ENHANCE YOUR JOURNEY – OPTIONAL EXPERIENCES

These select experiences are an additional cost to the land tour price. Minimum and maximum group numbers apply for the tour to operate, and all tours are subject to availability and local conditions. Gratuities are not included on optional experiences.

IF YOU NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

CANCELLATION POLICY

For all holiday packages in this brochure, Travelmarvel cancellation fees apply as follows (in addition to charges of any independent suppliers e.g.: airlines and hotels):

Days of Notice Prior to Departure	Fee Per Person
100 days or more	Loss of deposit
99–61 days	50% of holiday package price
60 days or less	100% of holiday package price

All cancellations must be received in writing by Travelmarvel and are not effective until this notification has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

CANCELLATION OF TICKETED AIRFARES

A Travelmarvel cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

CHANGES TO TICKETED AIRFARES

If you wish to amend the date or touring on your ticketed air booking, a Travelmarvel amendment fee of \$30 per person for the first change and \$85 per person for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airline, hotels, etc., over whom we have no direct control. On occasions changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. Group tours require a minimum number of bookings in order for the tour to be financially viable and to have a pleasant group atmosphere. In the event that adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a full refund of monies paid for arrangements made by Travelmarvel).

ON HOLIDAY

NOISE & VIBRATION

You acknowledge and accept that some noise and vibration may be experienced and Travelmarvel is not liable to you for any such noise or vibration.

SEAT ROTATION

Passengers rotate seats in the coach daily, so everyone enjoys window and front seating. In fairness to all passengers, no exceptions will be made.

CHANGES DUE TO WEATHER

Sometimes due to elements beyond our control it may be necessary to make alterations to our itinerary. A number of sightseeing options are weather dependant.

LUGGAGE LIMIT

Each passenger is entitled to take one case and generally luggage limits are 20kg per adult passenger. There are strict luggage restrictions in Kenya and Tanzania due to travelling in 4WD vehicles and flying in a smaller plane where you will need to pack down to a soft bag of 15kg. Travelmarvel will provide a soft bag for you to use in East Africa. Suitcases will be securely stored for you. Luggage limits are strictly enforced, and airline-imposed excess baggage charges will apply if this weight is exceeded. Luggage is carried at owner's risk.
